To Whom It May Concern:

Please find attached my proposed fundraising program to help promote my business and your organisation.

I am a qualified pastry chef and have been making cakes for 35 years, I have started my own business from home and have now been selling cakes & slices for 20 years.

My cakes and slices are made from the highest grade of ingredients with no added preservatives; they are made the way cakes used to be made. They taste absolutely delicious and are guaranteed to have you coming back for more.

My plan is to sell my **All Time Favourites Box**, which is a selection of my finest slices and donate \$2.00 from every box sold to your organization. (Minimum order of 50 boxes)

I look forward to hearing from you and don't hesitate to contact me by phone or email or even drop-in.
